Student Council Provides Leadership

What was the 1976-77 student council? It was a group of girls who showed their interest in St. Vincent's by being leaders of classes and clubs. By working together these girls served their fellow students, teachers, and administrators. The 1976-77 Sponsors were Mrs. Cunningham and Mrs. Lubas.

Memories of student council activities include Fun Fest, a successful fund raising project for all classes and clubs. A contribution to the Bishop's Relief Fund was made in memory of St. Vincent de Paul. Honoring a special teacher each quarter and decorating the Christmas tree drew the students and teachers closer together. The mock presidential election made everyone aware of the candidates' views. As one last important thought, the student council elections for the 1977-78 officers comes to mind. I wish for you strength, determination, and good luck with next year's student council.

Yearbook Class

The Yearbook Class, taught by Sr. Rita, meets twice a month after school to study the editorial techniques necessary for the production of a good yearbook. Unlike past years, this year's class was given the opportunity to work on the 1977 Vincential. The class contributed to the yearbook by coming to staff work sessions after school and on Saturdays.

Yearbook Staff

A yearbook is many things - a review of the year - a pictorial accounting of events and people - an attempt by your staff to present the best of what they treasure as memories. It was possible only through the efforts of a very dedicated staff, sponsor, Sr. Rita, and a few friends.

So here it is - your 1977 VINCENTIAN - May you enjoy it as much as we enjoyed compiling it for you.

Foreign Language Organization

The Latin Club joined the Spanish and French Clubs in sharing the knowledge of the cultures, customs, and traditions of other countries. It participated in a style show, illustrating how the Romans dressed in ancient times; and a Christmas program, in which the foods, decorations, and feasts of the Italians at Christmas time were described. The members seemed to enjoy themselves.

SVA a Foreign Accent

The St. Vincent's French Club had a really great year in '76-'77. The French Club of '76-'77 was like no other French Club of past years. This year French, Spanish, and Latin Clubs united to form FLO - Foreign Language Organization. Not only did French Club participate in its own activities, but it also took part in FLO functions such as a style show which featured girls modeling today's fashions originating from French, Spanish or Latin designs. French Club helped girls in French Club or French Class by buying some dictionaries that helped the students. They will be useful in future years. For its final farewell to the '76-'77 school year, French Club prepared an elaborate banquet with speakers. French Club definitely had a successful year.

Martha Evans
President

The Spanish Club is an organization which offers students the opportunity to further their knowledge about the Spanish language and culture.

The club meets once a month to plan various activities. By participating in these activities, students learn to work with each other and share in the fellowship of as well as enjoying others. Spanish Club consists of those students enrolled in Spanish classes and those who have studied the language.

Science Club

This year's Science Club did many interesting and exciting things. Members divided into groups according to their interests. A dark room was furnished and some members learned to develop pictures. The club took a trip to Louisiana Tech to visit the engineering department. A canoe trip in Arkansas and a tour of the Shreveport Crime Lab proved entertaining and informative. It is easy to see that the club really got "into the act" this year.

The local chapter, here at St. Vincent's, has been very active in all aspects of Youth Art promotion. We have participated in local art shows, attended the state conventions, have taken part at the Governor's Honors Art Program at State colleges and have taught at local elementary schools here in Shreveport. What we hope to do is to make Art an essential part of all our lives.

Debate Club

Whenever the word "debate" is mentioned, somehow a nightmarish picture is conjured in the minds of civilians (non-debators, that is). Why you may ask? Could it be the metal file boxes, how about the back breaking brief cases? No, actually, it is the thought of giving up the greatest part of a weekend, spending one's time talking and trying to sound intelligible. One could say, well whatever makes you happy! Well happiness, maybe, but excitement, competition and hysteria are the things that compose a debator.

Debate is more than learning to organize your thoughts and arguing with opponents; it is learning to express yourself to others; a talent which is certainly invaluable in today's society.

Newspaper Staff

This year's school newspaper, LI'L VIN, did more than simply "publish the news.". It not only provided information and entertainment for the student body and faculty, but it also afforded the staff and editors the opportunity to learn first-hand how to write, edit, manage, layout, and print a newspaper. For the creative and literary-minded, it furnished an outlet for their many talents in writing and illustrating. And for those who simply liked to read LI'L VIN, it supplied an accurate, and sometimes amusing, account of the life and times at SVA.

LI'L VIN extends a special thanks to two fantastic supporters: Newspaper Advisor and Counselor, Mrs. Brand; and their own "Personal Printer," Sr. Rita; for their invaluable advice and assistance.

CLC — Sodality

CLC is not just a large organization of three schools, but a way of life, a community made up of Jesuit, St. Vincent's, and Notre Dame. It is an active community which has learned to recognize the needs of others and to give service and help.

Members not only work together as a community, but also pray together as a community. CLC is not only a challenge but also a commitment CLC is now a spiritual commitment intended to ignite initiative, creativity, and leadership in its members.

Christian Life Community has now built a strong foundation for another successful school year.

Cheerleaders Showed Spirit and Enthusiasm

The cheerful cheerleaders bounced out on the field as the crowds roared wildly. With the help of these six girls, Jesuit went on to an undefeated season. Who were those wonderful girls? They were Vivacious Vikki, Sweet Susan, Merry Margaret, Terrific Terri, Cute Katherine, and Adorable Amie; the girls who will be remembered forever for cheering Jesuit on to a Victorious Season.

Who are they? Those Girls in Gold, those swingin' high-steppers, those cheering athletic supporters? Why it's SVA's Marching Squad! Pep Squad Promotes Spirit

True, there were many cheering Jesuit fans attending the victorious Flyer games, but it would be hard to find a group as spirited and "peppy" as this year's Pep Squad. These lively little freshmen, bedecked in the blue and white Jesuit colors, cheered their hearts out for the Fantastic Flyers of '76, and were part of the inspiration that spurred them on to a glorious victory.

All The Way AAA Let's Take State

Coach Tony Catanese led the Jesuit Flyers through an undefeated season, ending in a 7-0 State Championship victory over Winnfield. Two thousand fans traveled to Winnfield to watch the Flyers' dream come true. Greg Page, taking a pass from quarterback John Marshall, broke through numerous tackles, then raced untouched to the goalline. An extremely tough Jesuit defense stopped many Winnfield threats.

The undefeated season included four wins over AAAA teams. Nine times the Flyers held their opponents scoreless.

Long hours, hard work, and devotion to a dream enabled the Jesuit Flyers to taste the sweet fruits of victory.

Gymnastics Team

"Super hard work and dedication" - these are the words that most aptly describe the Gymnastic Team. This group of SVA girls, led by Mr. Antee, is on its way to the top. All year long they prepared for competition in 1978. To gain experience and learn new techniques, the girls went to New Orleans to watch the Russian gymnasts. The girls practiced approximately six hours a week and worked in the summer, too. Yes, "super hard work and dedication" definitely describe these girls.

Student Life

Sights and Sounds -

We all experience them daily at SVA - smiles and frowns, hellos and goodbyes, blue plaid skirts, and wall to wall girls.

The many aspects of school life include the noisy crowded tables at lunchtime, the peaceful atmosphere of the library, the bustle of the art department, and the sometimes humdrum of any classroom.

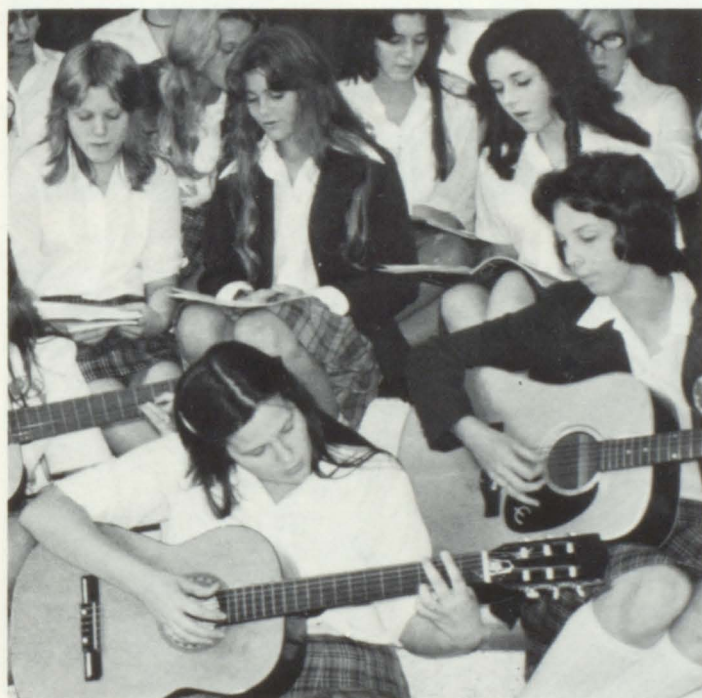

The spice of life can be many things such as the feeling of excitement at pep rallies, the anticipation of the arrival of yearbooks, and the thrill of a special date.

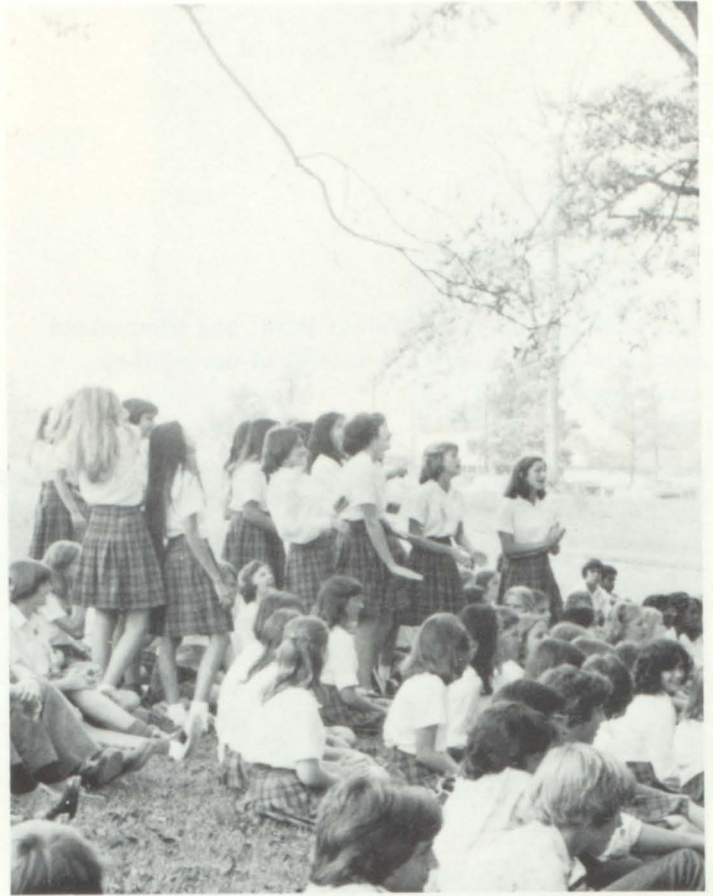

Holy Mass, plays, Junior Talent Show, and other school assemblies are remembered because of the joy they provided us.

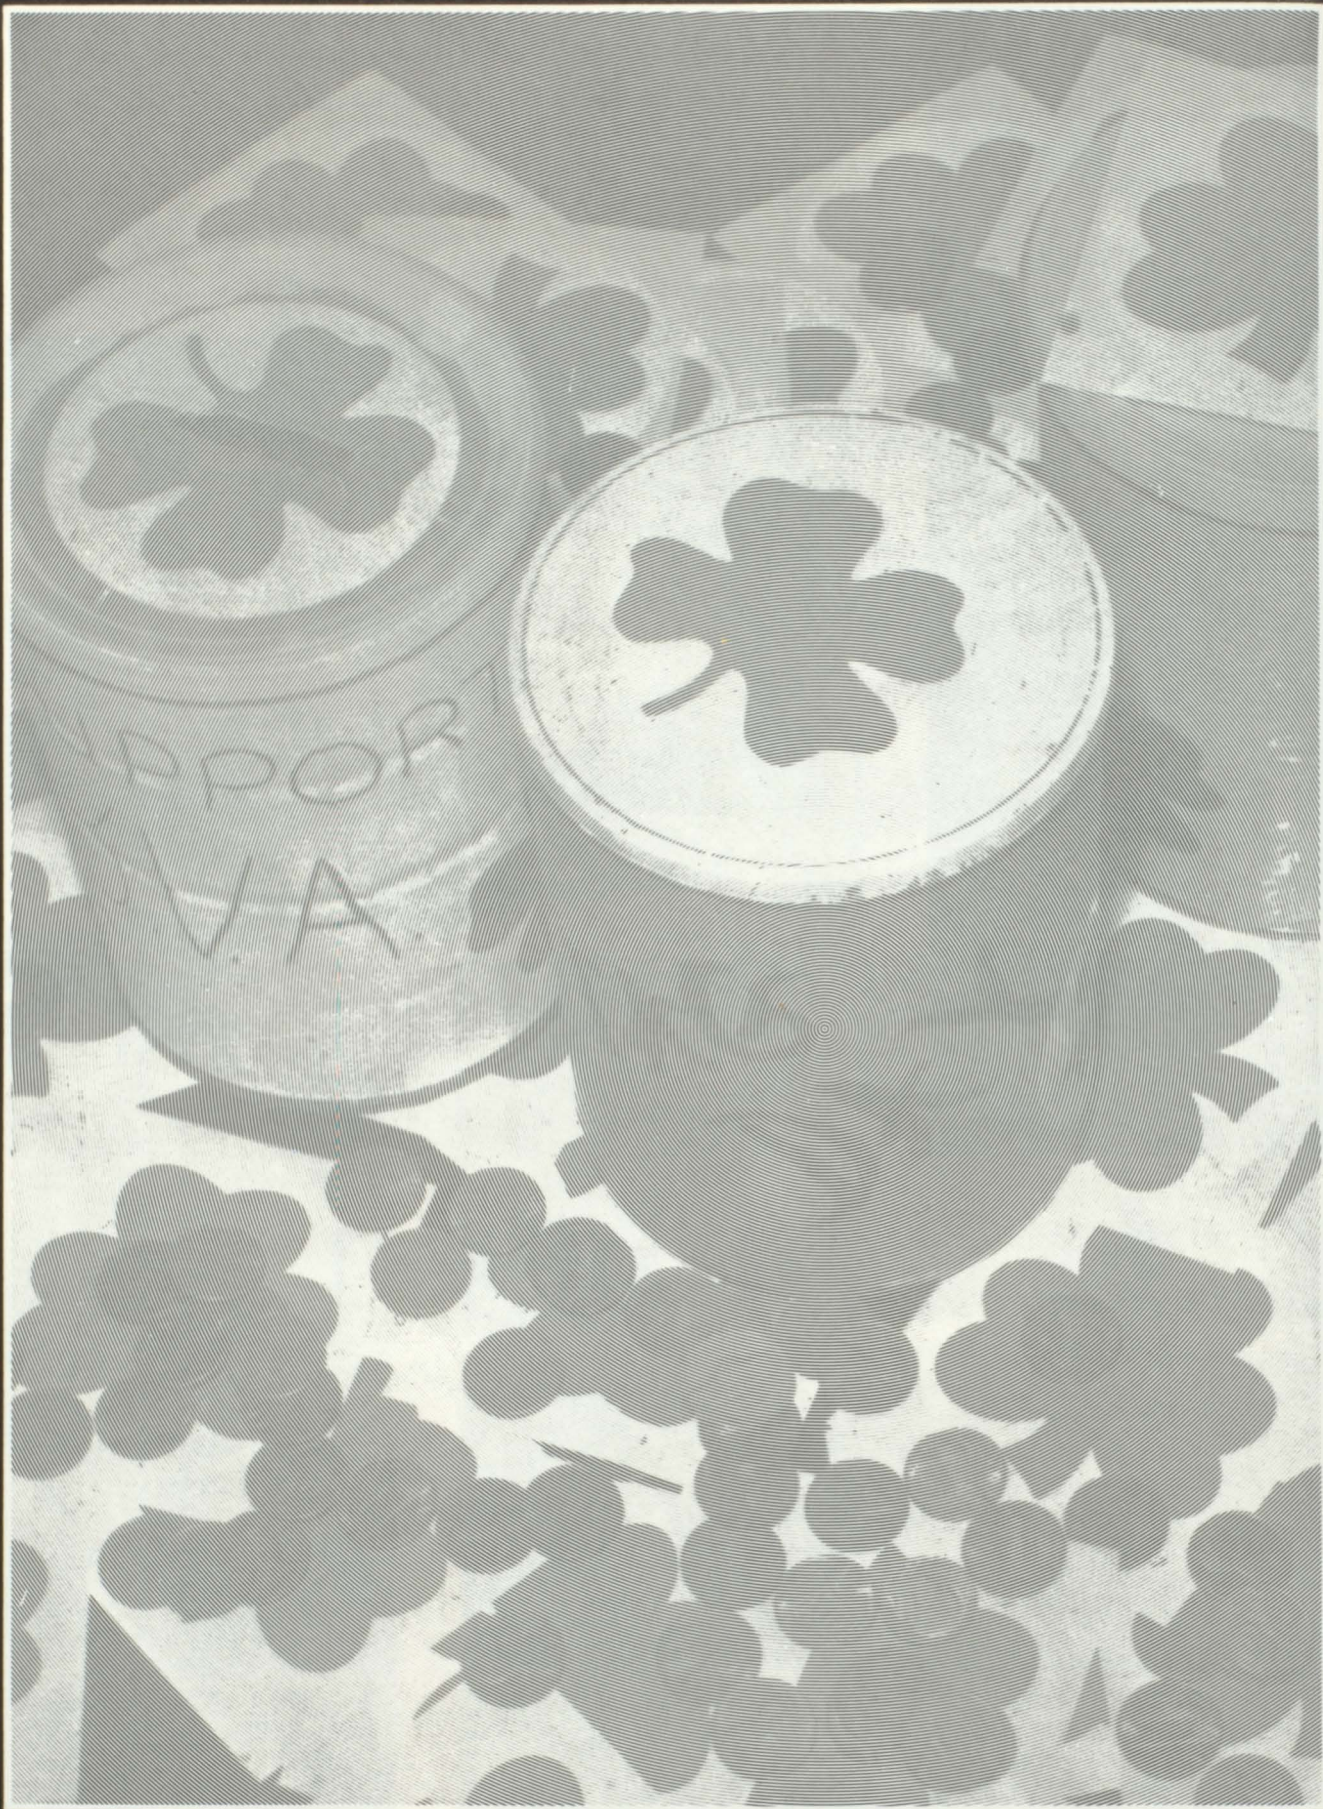

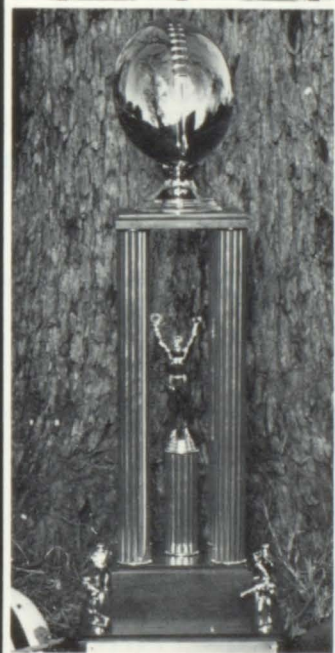

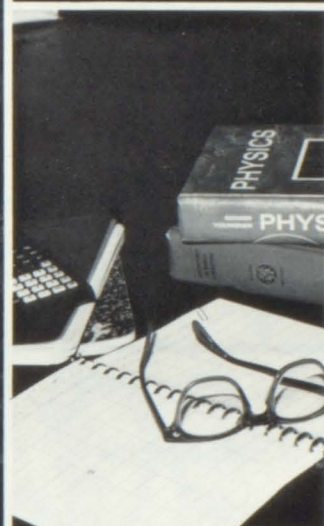

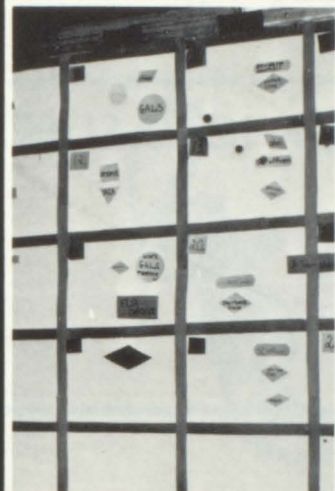

As another year draws to a close, we look back on special people, days, and occasions at SVA. Encouraging words, support of a teacher, and lasting friendships make these times special to us.

As an acknowledgement of our
appreciation
As a symbol of admiration,
As a tribute of praise,
As a token of lasting gratitude,
We dedicate the 1977
VINCENTIAN to our friend and
patrolman,
Mr. M. C. Rhodes

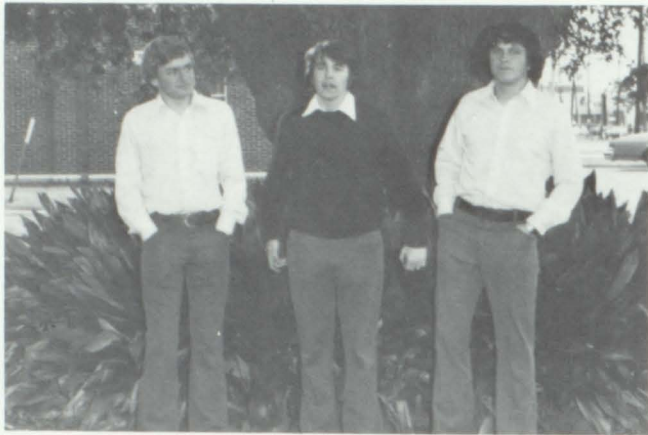

Go placidly
Amid the noise and haste
And remember
What peace there may be
In silence.

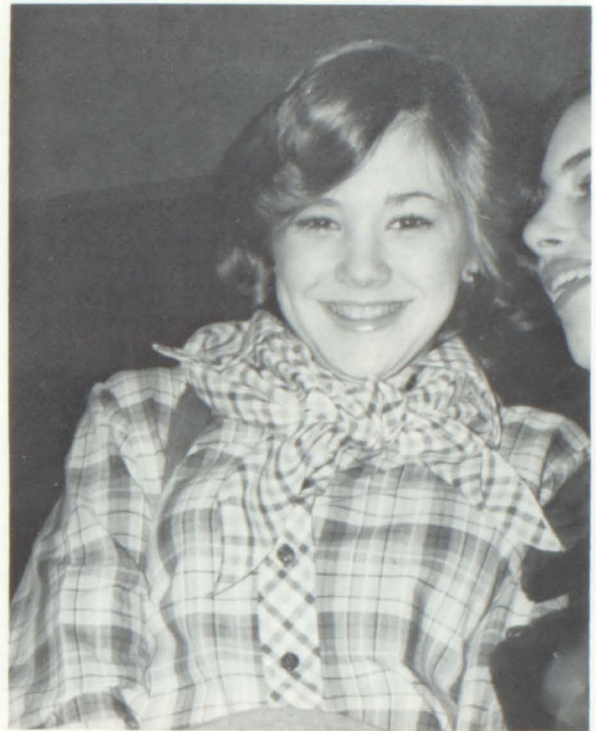

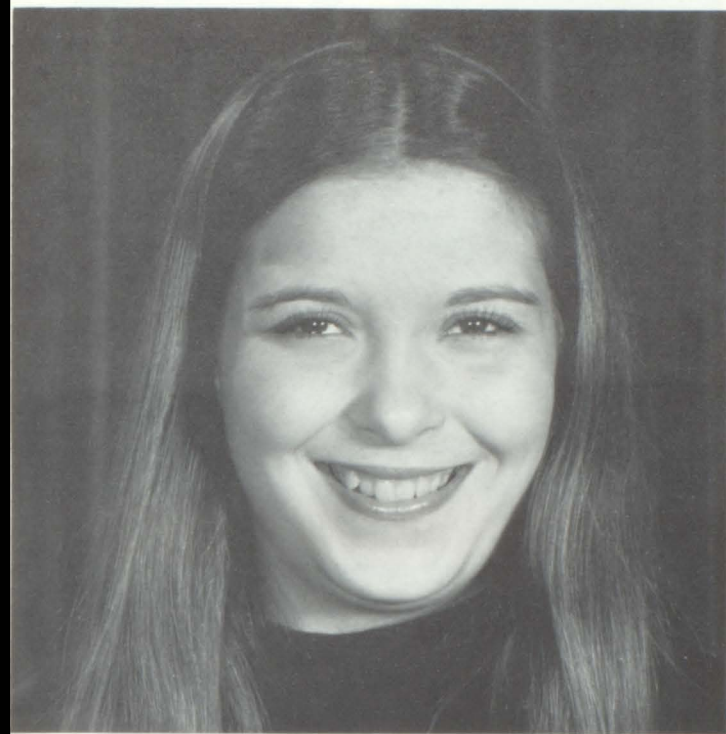

Acknowledgements

The Editors and Staff of the 1977 Vincentian would like to express their gratitude to those who gave their time and energy to the creation of this book. We would like to thank Larry Robinson Studios who served as our photographer, our Sponsor Sr. Rita Zagst for her patience and invaluable assistance, Mr. and Mrs. William Hall for the time they spent printing our pictures, the Flight Staff for moral support, Terry Kaufman who wrote our opening section, Jenni Giddens for providing the picture used on the last page, and the many others who made the publication of this yearbook possible.
